

I HAVE FINISHED MY WORK CARDS

Print out the cards below onto colored card and hand out to students when they have finished the set computing task. This quickly designates those who have finished early and will avoid other students from telling you that the person next to them isn't on task.

**I have
finished my
set computing
task.**

**I have
finished my
set computing
task.**

**I have
finished my
set computing
task.**

**I have
finished my
set computing
task.**
